- (2) Applicant must submit a copy of the allowable/patentable claim(s) from the JPO application(s) along with an English translation thereof and a statement that the English translation is accurate;
- (3) All the claims in the U.S. application must sufficiently correspond or be amended to sufficiently correspond to the allowable/patentable claim(s) in the JPO application(s);
- (4) Examination of the U.S. application has not begun;
- (5) Applicant must submit a copy of all the office actions from each of the JPO application(s) containing the allowable/patentable claim(s) along with an English translation thereof and a statement that the English translation is accurate;

(7) The required petition fee under 37 CFR 1.17(h).

The request to participate in the PPH pilot program and petition failed item (4) above, since a first action on the merits was mailed to applicants on September 26, 2008.
